

## **NOMINATIONS for ELECTIONS at the EGM 24 October 2009**

I, Henu, nominate the following members as candidates for the Management Group

These roles are essential:\_Batya (169): treasurer - agreed\_Dinah (942): chair - consent pending \_Christina (955): secretary - agreed

These are still key roles:\_Maria N (965): EP rep and equalities / disabilities champion - consent pending\_Luciah (966): pledge accountant - agreed

Other posts can be created and developed - based on the existing list of roles - and person assigned to roles by the elected MG: Both Lucia and Christina are prepared to take up the role of project co-ordinator.

I propose that and 'office co-ordinator', like 'webmaster', should not be MG members with voting rights but reporting officers.

I also nominate the following members to stand in the election for the MG members - consent pending

Sabine (168)\_Veronica (546)\_Liz (951)\_Jo (952)\_Michelle (953)\_Leatrice (956)\_Suzi (958)\_Samantha (963)\_Debora (967)

I include the following members - as these persons have already come forward and wish to contribute to the running of the organisation and become MG members and therefore should receive due consideration:

Patrick (387)\_Tikva (915)\_Cristina (941)

We only need to elect minimum 6 in the first instance (though I hope we can go for 8 who can then co-opt further 4 to make up the full complement of 12 )

May the best people win!\_Henu 773
